**MOST ENVIRONMENTALLY PROGRESSIVE PACKAGING
COMPANY IN CANADA**

Farnell Packaging Limited won the Most Environmentally Progressive Packaging Company in Canada GOLD award on April 8th. More than 300 printing professionals from across Canada gathered in Toronto to celebrate the environmental innovation and achievements of the Canadian industry.

The 5th Annual Environmental Printing Awards, hosted by PrintAction magazine, were handed out at a gala hosted in Toronto's historic landmark, Eglinton Grand (Banquet hall).

CBC News anchor, Diana Swain, welcomed attendees, restating that The Environmental Printing Awards is a program set up to recognize the best of environmentally progressive printing in Canada.

The awards gala included a key note address by Peter Robinson, CEO of the David Suzuki Foundation. Robinson spoke on the theme of resilience, that businesses must remain resolute in their environmental efforts for long term success, a belief that Farnell Packaging Limited has consistently displayed for decades.

Most Environmentally Progressive Packaging Company in Canada...one more reason to make Farnell Packaging Limited your flexible packaging supplier of choice.
